

A Ghost Investigation! What Should I Bring?

Barometer
Camera & Tripod (video, 35 mm, digital, disposable)
Coins (or other control objects to detect movement)
Compass
Digital Audio Recorder (voice-activated if possible)
EMF Detector
Extras: Batteries, Film, Audio & Video Tapes
Flashlights
Forms (interview questionnaires, photologs)
Measuring Tape
Notepads & Pens/Pencils (for drawing and taking notes)
Relative Humidity Gauge
Small Tool Kit
Talcum Powder (check for footprints/handprints)
Tape (colored, to mark doors of rooms not to be disturbed)
Tape Recorder (external, static-free microphone if possible)
Thermal Scanner
Thermometer
Walkie-talkies
Watch
Wind Chimes (placed in draft-free areas, can alert to paranormal activity)

Other Great Items

Audio Enhancers
Crystal Balls
Dowsing Rods
Ouija or Spirit Communication Board
Electrostatic Generator
Geiger Counter
Headlamps (hands-free and terrific, but still bring a flashlight)
Headset Communication Devices (hands-free & convenient)
Infrared Motion Detector
Ion Detector
Night-vision scope, goggles, and video camera
Strobe Light
Thermal Imaging Scope

DON'T FORGET THE SNACKS!
