SENN'S PAINTING JOINS CHAMBER

Company prides itself on workmanship, community ties

ATCHISON, Kan. (Feb. 24, 2009) — Senn's Painting, the newest member of the Atchison Area Chamber of Commerce, prides itself on quality workmanship and building community ties that lead to fair and honest business practices.

"Most of our work is call-back business from previous customers," said Robert Senn, who, along with his wife Paula, owns the business.

Senn's offers a variety of services to fit residential, farm and business needs. Those services include painting, wallpaper, barns, anhydrous tanks, storage tanks up to 400,000 gallons, power washing and more. According to Robert Senn, they also have an experienced interior painting crew.

Located about 25 miles from Atchison in Robinson, Senn's painting has a six-person crew that does business all over the four-state region. Though Senn's Painting isn't physically located in Atchison, it is part of a larger community in which the business has developed relationships.

"Senn's Painting has equipment necessary for traveling, yet it is small enough to care about our community," Robert said. "Senn's Painting is insured for your safety with better than comparable prices and several references available upon request." They have done plenty of business in Atchison. Senn's has painted several buildings in the area, including Strong's Auto Body, Becker Dyer Stanton, the new Made Right store and the First Christian Church. The crew is equally at home doing residential and farm work.

Senn's Painting operates seven days a week. The business can be reached at 785-359-6633 or 913-306-1016, or by email at pauler@rainbowtel.net.

According to Robert, Senn's Painting just wants to do good business in the larger community it calls home.

“We wish to do fair business with fair customers in our community and the surrounding area,” he said.

The business has references in Atchison, Kansas City, Fort Leavenworth, Platte City, Valley Falls, as well as its home town and surrounding area.

The mission of the Atchison Area Chamber of Commerce is to focus on the quality of life, attraction, growth and retention of jobs and businesses in Atchison County. Established in 1919, the Chamber continues to be the leading business organization of the community. With the support of over 400 member investors, the Chamber delivers programs and services that make our community a better place to live, work, raise a family and visit.
