A reminder to purchase your LakeFest tickets while the price is still $25. They are available at area banks as well as here at the Chamber.

I hope you’re watching Amelia Rose Earhart on her trip around the world. Tune in to flywithamelia.org to keep up on where she is today. We’re excited to welcome her back to Atchison next week for the Amelia Earhart Festival. She will speak at O’Malley-McAllister Auditorium at 11 am on Saturday, July 19th. Everyone is welcome. The event is free to the public.

Don’t forget Carnival coupons! They’re on sale now at the Chamber at a $4 savings. Each ticket you purchase can be exchanged for a bracelet on the night of your choice. A reminder that Saturday will have two bracelet sessions; one from noon-6 pm and one from 6pm-midnight. We will be selling the discounted coupons until Wednesday, July 16 at 5 pm.

The Pioneering Achievement Award Luncheon is Saturday, July 19 at Benedictine College. We will recognize Michele Stauffer for her amazing aviation career and contributions. We hope you will make plans to attend the presentation of the 2014 Pioneering Achievement Award Saturday, July 19 on the campus of Benedictine College. This year’s recipient is Michele Stauffer, founder of Kansas Aircraft Corp.

Michele has been a member of the International 99s for over 30 years and has participated in Angel Flight Central, a volunteer organization that provides flights for individuals and families in need. She will be presented with an award at a luncheon held at the Ferrell Academic Center at 12:30 p.m. and tickets are $15. We hope to see you there!

Amelia Rose Earhart, the 2013 Pioneering Achievement Award recipient, will be the only speaker featured and will be discussing her recently completed recreation of Amelia’s final flight that ended with her disappearance in 1937.

Amelia Rose’s journey will consist of over 100 flight hours and will contain 17 stops as she and co-pilot, Shane Jordan, attempt to recreate, and finish, Amelia’s final flight.

Amelia Rose has also set up a sort of tracking system on her website that allows viewers to follow along on the adventure from home. Go to flywithamelia.org or you can also follow her on Facebook and Twitter to get updates from throughout the journey and see pictures from each of the duo’s stops around the world.
